### **Dignity Grows Receives Grant from The Pad Project**

Dignity Grows empowers our neighbors in need by providing hygiene supplies and menstrual products for every body that needs them.

**Hartford, CT— June, 2021 —**

Dignity Grows, Inc. is proud to announce its first grant recipients, awarded in partnership with The Pad Project. The Jewish Federation of Greater Portland (Oregon) and Jewish Federation of Greater Phoenix (Arizona) were identified for their demonstrated track record of advancing menstrual equity in their community. The Pad Project also awarded Founding Chapter, Jewish Federation of Greater Hartford, a portion of the grant. Part of the grant stipulation was to share the monies to geographically diverse chapters. Funds are to be used specifically for menstrual supplies.

Dignity Grows empowers our neighbors in need by providing menstrual and hygiene supplies for every body that needs them.
